

BUILT INTO EVERY GREAT KITCHEN.

WELCOME

This year's stand is all about bringing the Caple Experience to life! Immerse yourself in a showcase that goes beyond exquisite furniture, cutting-edge appliances, and stylish sinks and taps. We invite you to discover the exclusive experience our Caple Studio has to offer.

Every detail speaks volumes, from the quality Caple finishing touches, elegant rafts above the long island in the Caple studio, to the brickwork and uplighter, this year's stand draws inspiration from our award-winning Leeds showroom.

Experience the seamless blend of intuitive technology, standout pieces, and flawless design, all complemented by the introduction of our all-new Black Glass appliances. A defining theme that reflects Caple's commitment to a design-led product range.

PREMIUM GUARANTEED.

5 YEARS GUARANTEE ON ALL CAPLE APPLIANCES*

Get an exclusive 5-year guarantee on all Caple appliances, when you purchase any Sense Premium oven or microwave at the same time. We understand the importance of durability, and that's why we stand behind the quality of our products.

INTRODUCING BLACK GLASS.

Black is a neutral colour that complements all kitchen styles and colour schemes whether the kitchen and living space has a minimalist, traditional, or industrial design, black glass appliances will fit in seamlessly.

Bringing luxury to any kitchen scheme, the new black glass appliances have a sleek and modern look that will enhance the overall aesthetic; the smooth, reflective surface creates a contemporary and stylish appearance.

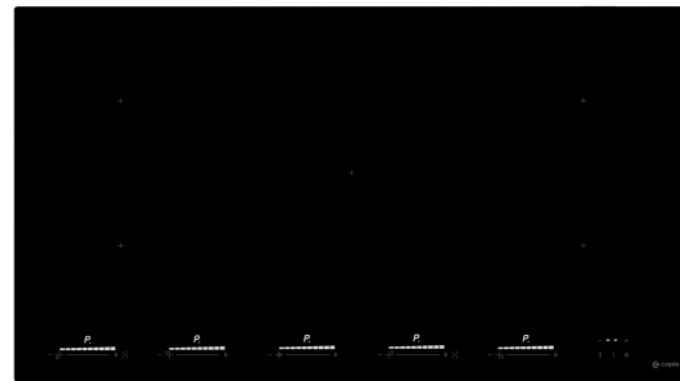

DD523BK Featuring a sleek all-black glass design that perfectly matches our induction and ceramic hobs, the DD523BK creates a sleek cohesive aesthetic in your kitchen space.

PYR600 Crafted with precision, the face of the PYR600 boasts a unique pyramid design, meticulously handmade in ceramic for a touch of elegance.

CE930 Take the design into your own hands, customise the centre panel with plasterboard, which can be painted to match any décor. The CE930 ceiling extractor's hood elegantly drops down, not only enhancing aesthetics but also optimising extraction performance.

C920i [CONCEPT] Take command of your cooking experience with the C920i induction hob, equipped with slider controls for each zone. Enjoy complete control and the ability to bridge zones together for versatile cooking.

C1600i [CONCEPT] Elevate your cooking experience with the C1600i's ceramic stone surface, seamlessly integrating concealed induction technology. This ensures precise, energy-efficient cooking on a sleek and durable platform.

C8450i [CONCEPT] Experience the precision of dial controls with the C8450i, offering a unique and tactile approach to cooking adjustments that stands out in the world of induction hobs.

PLASMA EXPLAINED

Scan the above for more information and how to make the most of your Caple products.

Caple Plasma

by PlasmaMade®

A BREATH OF FRESH AIR.

Introducing PlasmaMade® - our most advanced filters. These compact powerhouses not only rid your home of unwanted odours, they also tackle fine dust and contaminants using cutting-edge electrostatic discharge [ESD] technology, making them truly unique and patented worldwide.

In addition to great functionality, the cost conscious designs of the PlasmaMade® E-Filters have been developed to prevent energy waste in your home, with the recirculation filters helping to maintain room temperatures by keeping the heated or cooled air inside.

With correct use and regular cleaning of the grease filters within your extractor hood, the filters will last up to 15 years practically maintenance free. Once you're finished with them, the filters are 97% recyclable, so are great for the environment.

Ri7370 Experience the convenience of the Ri7320, but with 50% more capacity. Standing at 193cm tall, with an extra-wide cabinet the Ri7370 has all the space to accommodate all your storage needs with ease.

WC6130

WC6530

Enjoy hassle-free installation with the self-ventilating feature of the WC6130 and WC6530 wine cabinets, eliminating the need for a plinth grille as air is efficiently drawn beneath the appliance and expelled above the door back into the room. Illuminate your wine collection in style with the LED side strip lights, providing improved visibility and showcasing your beautiful assortment with elegance.

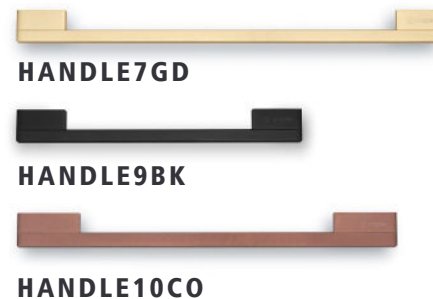

WC6101BG Designed to emulate the distinctive style of our built-in ovens, the new control panel design ensures a flawless match with other appliances, creating a cohesive aesthetic in your kitchen.

Wi6138BG [CONCEPT] Enjoy effortless control with the new LCD control panel, allowing you to easily adjust settings and monitor temperatures across both zones. Immerse yourself in modern elegance with the handleless push-to-open door feature. This innovative design provides a seamless and sophisticated look.

Wi6156BG [CONCEPT] Offering effortless control with a stunning new TFT control panel, allowing easy adjustment of temperatures across both zones. Express your unique style by choosing between warm and cool lighting options, allowing you to create the perfect ambience for showcasing your wine collection.

Gold, Black and Copper handles are now available for our ovens, combination microwaves and wine cabinets. Providing a perfect colour match with our PVD sink and tap range.

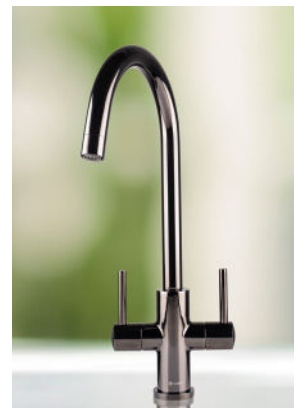

NOL/GD Elevate your kitchen with Nolito Taps, adorned with a diamond-knurlled feature on both the body and handle, adding a touch of sophistication to your surroundings.

NAV/BCH

Our new black chrome taps are real show stoppers and work perfectly in any kitchen setting. Why not add a modern twist to a traditional kitchen by mixing either with a classic ceramic sink for truly distinct look.

LAM/BCH

CAP/BSW/GD

Gold, Copper and Gunmetal wastes are now available for the CPB55BK.

**PEN/GD**

Make kitchen chores a breeze with these stylish and convenient taps designed for easy pot filling. Installed on the wall above your hob, requiring a cold feed only, the fold out arm extends over your hob and neatly folds away afterwards for efficient access. Choose from our range featuring both modern and traditional styles, plus stainless steel finishes to fit any aesthetic.
