

## CHOPPING BOARD CARE INSTRUCTIONS

---

This product is manufactured from real wood and should provide years of satisfactory use providing it is treated with care.

To maintain its beauty and durability, the board needs to be oiled frequently with a food safe mineral oil.

Pour the oil onto the board, cover the whole area (both faces and all edges) and allow to soak in overnight. The oil will absorb into the wood, wipe off any excess oil before use.

### **The following points should be noted:**

- > Do not immerse in water
- > Immediately after use, wipe with a damp cloth and then a dry cloth
- > Keep away from direct sources of heat
- > Store flat on a level surface
