

CAPLE

Family run, award-winning British appliance, sink, tap and kitchen furniture brand.

OUR STORY

With 43 years experience and over 1,200 products in our extensive portfolio, available in over 10 countries, we are at the forefront of the UK market. Widely regarded as being one of the leading privately owned distributors of luxury kitchens and design lead appliances, we operate from our headquarters in Bristol.

Award winning advanced design, exquisite style and uncompromising functionality is what we're all about. We pride ourselves on offering excellent customer service and high quality beautiful products, that don't compromise on functionality.
