

# HARLO PURITI TAP

## PRODUCT CODE

› HARPUR/GD

## FINISH

› Gold

## FEATURES

› Solid stainless steel with PVD finish

## PARTS INCLUDED

› PURITI2 Filter kit and fittings  
› Support bracket  
› 3 x Flexi tails

## OPTIONAL EXTRAS

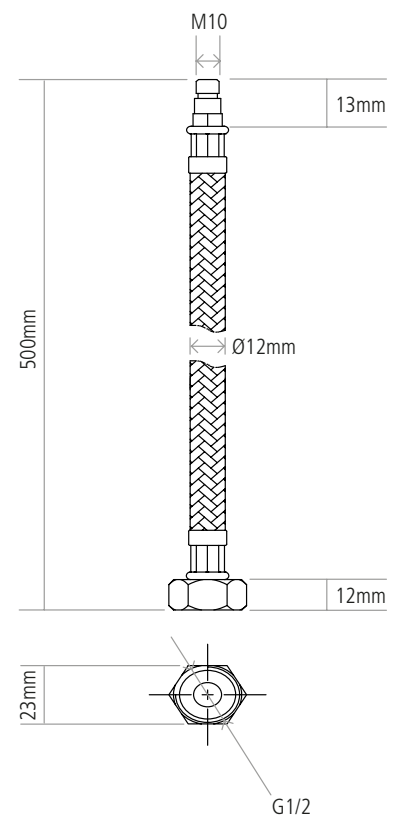

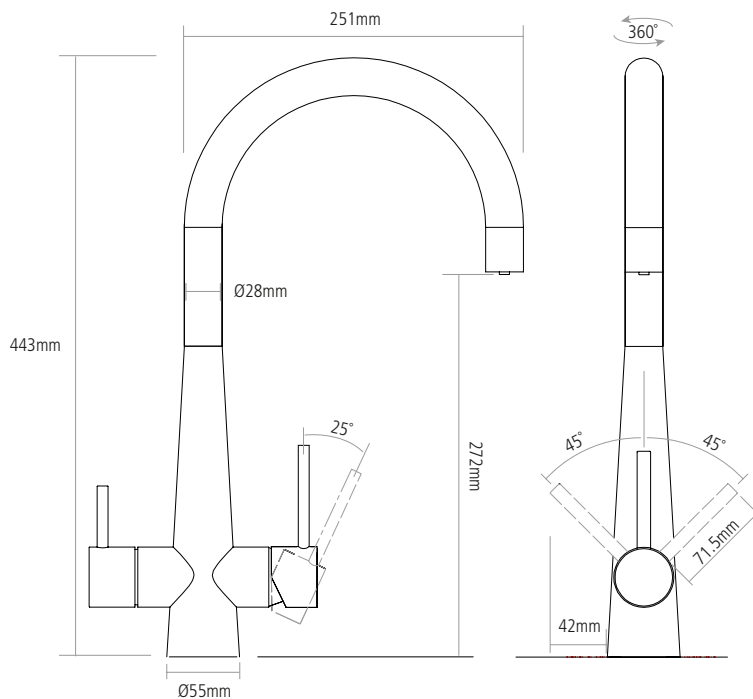

› FILTERMETER Digital filtered water meter with flow rate display  
› PURITI3 Replacement water filter

## ↔ DIMENSIONS

|                      |                  |
|----------------------|------------------|
| Spout Diameter       | Ø28mm            |
| Spout Aerator Size   | Ø20mm            |
| Usable Thread Length | 50mm             |
| Spare Part Kit Code  | KIT/HARLO        |
| Boxed Weight         | 3.9kg            |
| Tap Weight           | 3.2kg            |
| Box Dimensions       | 680 x 395 x 70mm |

|                          |                                         |
|--------------------------|-----------------------------------------|
| Tail Inlet / Outlet Size | M10 / 1/2"                              |
| Inlet Type / Length      | Flexible stainless braided hose / 500mm |

Worktop cut out 35mm required

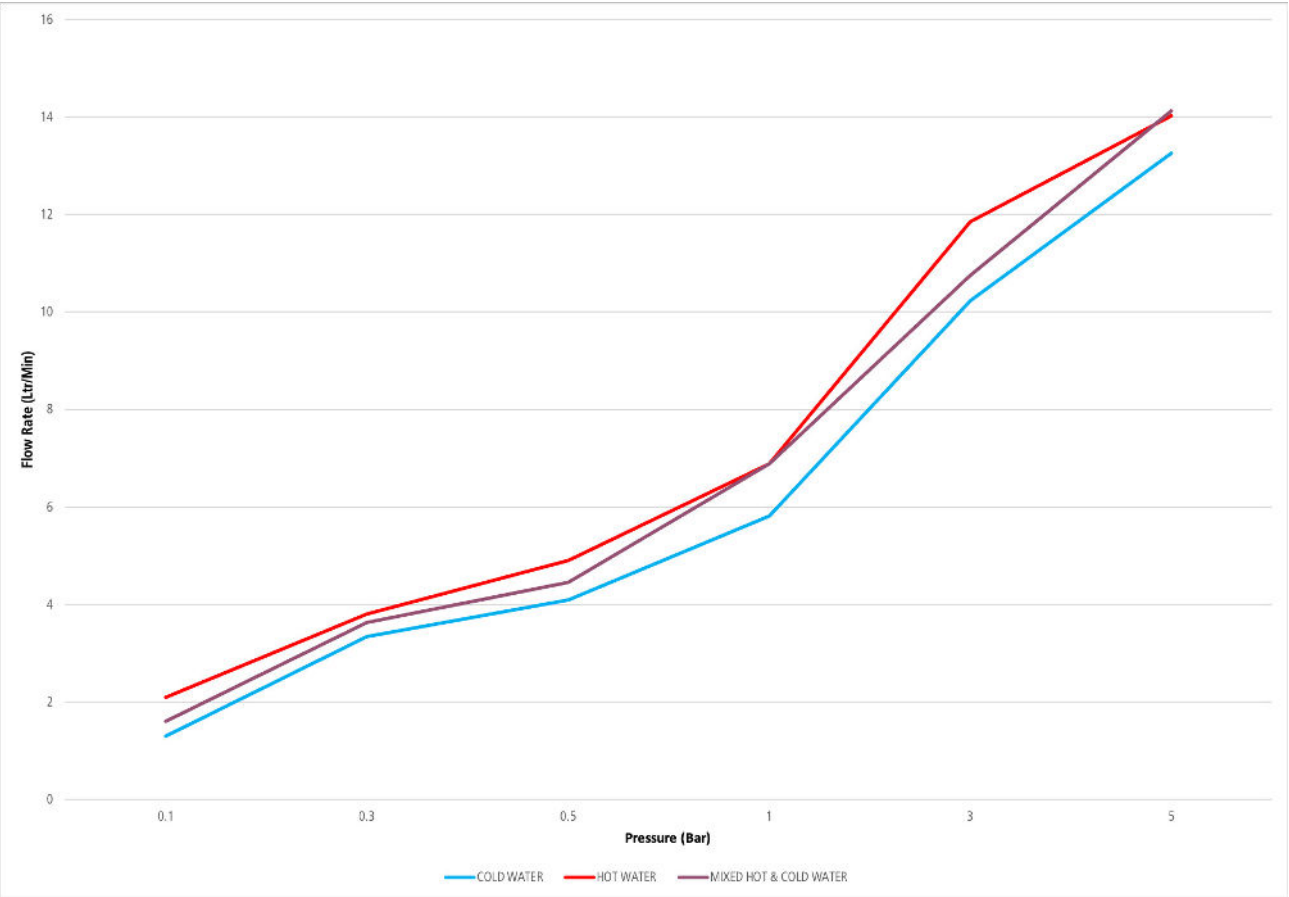

FIXING TYPE

TAP FLOW INFORMATION

|                        |                                                                                      |
|------------------------|--------------------------------------------------------------------------------------|
| Min/Max Water Pressure | 0.5 / 5 bar                                                                          |
| Control Valve type     | Filtered Water = Quarter turn ceramic valve<br>Hot/Cold Water = Single ceramic valve |
| Flow type              | Single (Separate flow for filtered water)                                            |
| Aerator included       | Y                                                                                    |

FLOW RATES

| Bar pressure | Flow rate (ltr/min) |           |                        |
|--------------|---------------------|-----------|------------------------|
|              | Cold water          | Hot water | Mixed hot & cold water |
| 0.1          | 1.3                 | 2.1       | 1.6                    |
| 0.3          | 3.34                | 3.8       | 3.63                   |
| 0.5          | 4.1                 | 4.9       | 4.45                   |
| 1            | 5.82                | 6.88      | 6.88                   |
| 3            | 10.23               | 11.85     | 10.75                  |
| 5            | 13.25               | 14.02     | 14.12                  |
